Icelandic National League of North America Fee Structure:

a) The INL's formula for each Club or Chapter is as follows:

- \$3.00 each for the first 50 members
- \$1.50 each for further members after 50

Membership should be based on the number of members in a Club/Chapter as of December 31st.

b) Clubs and groups who wish to be Affiliate members of the INL pay a flat fee of \$100.00.

c) Individual Memberships are \$25.00.

There are twenty-four (24) Clubs/Chapters in North America. These organizations are very active and their existence strengthens and unifies the Icelandic National League of North America. ***We would encourage individuals to become members of their nearest Chapter/Club*** unless geographic distances are very great.

Please fill out the above form and send your annual fees in to the INL office by **January 31 of each year**. Fees will be prorated if membership is only for a portion of the year. Thank you.
