

January 2004

Dear Potential Member:

Welcome and thank you for considering becoming a member of The Icelandic Canadian Chamber of Commerce (“ICCC”).

Please find enclosed a membership form that we request be filled out. We plan to disseminate the majority of the information by email when ever possible. Each member on a regular basis will receive the following unless we are otherwise advised.

- ICCC news letters
- Directory of members that will be posted on the ICCC website
- Regional meetings and ICCC events

If you wish to receive the Iceland Daily News, Iceland Update (Invest in Iceland Agency) please indicate on the membership form.

It is anticipated that our website www.iccelandccc.ca will be up and running in early February. Some of the focal points for the ICCC in 2004 would be;

- Trade Agreements (Canada and EFTA)
- Importing of lamb and meat and other products
- Promote tourism and direct flights to and from Canada
- Reciprocal Investments in the two countries
- Create awareness in both countries for selected goods/services/markets

We understand there are different opportunities in each of the provinces so the meeting places and functions will vary within Canada and we will advise accordingly.

The phone number for the ICCC office in Edmonton is (780) 408-5034.

All the best,

Gordon Reykdal
President ICCC
